Letter from Florence J. Antonides, La Grange, Indiana to Mrs. John Stanley (Agnes Pawling Stanley) Bennington, Kansas, received June 28, 1939.

I La Grange Ind. June 25th 1939.

Mrs. John Stanley, Bennington, Kansas Dear Cousin: – Was surprised to hear from you, but was glad that you think of us. I often think of you folks, And wrote to Mona awhile ago, but haven't heard from her since. It is a little hard for me to write my arm gives out so maybe I'll have to rest awhile or between time. I had my right breast taken off a year ago this last Jan. and it bothers me yet if I use it to much that is too heavy work or in reaching. Finished up house cleaning yesterday, only a few little odd jobs yet. Cleaned the cellar and it was so damp that it was hard sweeping so now today my scar has pained me a little. I have had quite a time the last two years. The first I had the flu and by breast began to pain me than and the Dr. thought it was neuritris, but I knew it wasn't. I had tumor in it. You know I had three tumors taken out of it 14 yrs. ago this summer. Our family Dr. wanted to take it off then & the specialist wouldn't do it. So I had it done a year ago. And two years ago yesterday I had an impacted tooth out that took 2 hr. and also \$15.00 and then I didn't get any better so I had all of my upper teeth out last summer. And have the false ones they work just fine only my

Π

gum still bothers where that tooth was taken out. And if I can get Bess to come home for a week or so I will have my under teeth out. I have 12 of them. For I don't get any better yet unless I take medicine all the time and that runs up into money. I do all of the work that's done but don't keep the house like I like to see it. It hurts me to sweep & wash windows. I go to bed awhile almost every day. Art & Nina were here a little while they were taking Dorothy their youngest girl to Elkhart to take the train back to her work. She is sec'y for some rubber Co. in a town 35 miles east of Cleveland, Ohio. She was at home for the week-end. They have three other children the oldest boy Lloyd is mail clerk on the train and is at Indianapolis. He is married. The had a baby boy las fall but he only lived a couple of days. And the oldest girl Ruth is married & lives in Sturgis. She has a little girl 1 1/2 yr. old call her Carmein Ann And Lee at home most of the time. And Claud moved to Howe, this spring

He has the job of taking the mail to & from the train. And She works too. The oldest boy Gerald lives in La Grange is married and has two nice litte girls Barbara Ann & Sandra Joy. And Donald is married & lives a little ways northwest of Howe. He has two children Doyle & Shirley May.

She has one boy his name is Robert Earl Black but they call him Bobby. And Dale the next to the youngest boy was married Feb 11th he lives about 2 1/2 miles from here. Have heard that they are expecting. And Claud Jr. he is at home only he works by the day most of the time. He isn't of age yet. Art Antonides lives on Aunt Obla's farm. And Hattie lives north & east of Brighton about 18 miles from here. She has 4 girls. Vada the oldest one works at the La Grange Co. Farm. Pa rented him the farm last fall & they moved in with us and we couldn't get along so they moved out this spring. We knew that he was disageeabl but didn't suppose Maud would turn against us like she did. And Bess is in La Grange she works by the week. And

is busy all the time. Bess was 48 the 10th of June. And Art is 58 a Tues. And Ma's birthday was the 30th. And Aunt Obla lives in La Grange alone. She isn't so very well I guess but better than she was. They said she had a light stroke early this spring. Grace lives in Howe (us to be Lima) he is manager of an oil company. They have three children James the oldest he is married and lives in South Bend I don't know what he does. And Harriet is a teacher in Chicago. They have announced her marriage for Aug 16. And Marjorie Ruth has a position in Chicago but I can't tell what it is. And Glen lives in Sturgis you know he has his second wife. Has one son by her He is in high school his named is Arthur. His daugter Margaret by his first wife is married I think she lived in South Bend. And Marjorie lives 10 miles east of La Grange on his father's farm. She has two girls Patricia Jean & Sharon Ann. Patty has they call her most is 14 the 20th of Oct. And she has a boy friend [scribble] all ready. And I think her little girl was 9 yrs. old yesterday. It was 10 yrs. last Tues. that we had to give mother up. My it seems like a long time. A year ago now Pa was sick. He had cholera morbus.

V) I don't think that any of our people would be down there. If Pa & I could stand it to ride we could drive there & back in a day. Pa don't see why he can't stand it to work any more. And if he lives until two months from to morrow he will be 85. So I don't see why he can't work. Do you? He has had sugar diabetes now for almost 13 yrs. He would not feel so bad if he didn't work any, but he says he is going to as long as he can go. Yes we are on the farm yet. But I wish he would give up & leave this fall. He can't hardly stand it to run after the stock or I can't. I have gall bladder trouble and I am afraid it will end with gall stones. They are having Bible School around here too. I only have 30 little chicks and I bring them in the house every night so the rats can't get them. I caught a rat last night have caught 20 in three weeks. Hope we soon get rid of them we want some more chicks before long. Fanni was back here last summer a little while. She was at Grace's (Woodward) Horning from Sat. night until Mon. morning. So her time was so short she was only making short calls was her only 15 or 20 minutes. She said that she & husband & her daughter (only has the one) & husband was coming back this

summer for a visit. Bess seen her man & Bess

said that he looked to be quit old.

VI. She lived in West Virginia last summer when she was here but I don't know the town. I think he worked in the moving Picture Shows. I have my sewing about all done will piece comforters now when I work or if I feel like it. Want to clean up the house again only the upstairs I don't use that I am lazy I guess I sleep down stairs. I wished Robert had a [scribble] came up here a little while if he would come to La Grange he could soon find his way out here. Well Agnes I guess by the time you get this letter read, you will have a rest from trotting after the others. You & John & the girls had better come out here. I bet the girls would enjoy the trip.

I went to wash to morrow. And the iron a Tues than maybe I'll do nothing the rest of the week. Hope that my face stops swelling or I may have to go to the dentist was there last Thurs. night. I hope that it won't make you to tired reading this letter so you will write again. I like to receive letters, but I hate to write because I am such a poor writer. I washed & iron this last week, baked bread & canned 18 qts. of straw berries And fixed some aprons for Bess & several other odd jobs. So from now if I am able I won't have so much to do until the garden stuff is ready to cold pack. Well I must close and go to bed. Write Again. As Ever Your Cousin Florenc Jerusha Antonides La Grange, Ind.
